WE MADE A GREAT BATTERY BETTER

Our lithium-ion battery was manufactured by RoyPow® and optimized by Yamaha to ensure integrity and unmatched power. We've taken the time to engineer better overall performance for your long-term peace of mind.

Safer than other lithium battery chemistry options for long-term peace of mind.

Designed to charge at a speed that yields optimal output performance.

Even after the 5-year warranty, the battery could still have 80% amp-hour life remaining!

No water filling, no terminal tightening or cleaning.

Data is based on Yamaha's hilly course simulation (Competitors may show different data based on a different testing environment). Based on the averaging of two completed separate tests on two batteries for each brand.

The YamaTrack® app gives your course the capability to evolve with today's golfer. With a new 10" screen mounted in the dash, players will enjoy 3D terrain graphics with customizable pro tips. Geo-zones will notify players to pre-order food and beverages before making the turn. Enhance your players' experience and improve your course's efficiency. YamaTrack. Another reason why Yamaha is The Easy Choice.™

INCREASE FOOD AND BEVERAGE PROFITS

- Allow players to access your food and beverage menu anywhere on the course.
- Reach your audience with customizable on-screen advertising.
- Increase course revenue by sharing advertising opportunities.
- Customize the App with your club logo and food and beverage menu.

PROTECT YOUR ASSETS

- Monitor pace-of-play to keep the course running smoothly and efficiently.
- Monitor amp hours and car battery conditions automatically to improve fleet rotation and maximize battery life.
- Use car tracking, shutdown, and lockdown features to show car's locations, prevent losses by day, and improve overnight security.
- Manage your entire operation from any internet-connected device with our web-based system.

ENHANCE PLAYER EXPERIENCE

- 3D Flyovers of the player's current hole with accurate pin and hazard placement.
- Players can see the slope and contours of each golf hole.
- Players can quickly check the range of their shot anywhere on the course.
- Allow players to easily keep track of their score on-screen.

THE YAMATRACK® PLAYER'S APP

If you have a Yamaha fleet, then we've already built your mobile app for you. Activating the app for your course is easy and convenient, and the mobile-based software allows your players to navigate their round no matter where they are on the course or in the game. The YamaTrack Player App assures players that support is just around the corner, so they can spend more energy on their game.

- Customize your course's mobile player app to include your club logo and food & beverage menu.
- Use the phone touchscreen to view the distance to hazards and greens.
- 3D Flyovers show the layout and contours of each golf hole.
- Track the distance of each drive from the tee to the fairway.
